<u>Volunteer Hours:</u> <i>I understand that each SCB family is required to complete and document 20 SCB volunteer hours, during the course of the school year. The cost of these volunteer hours has already been deducted from the listed tuition rate with the assumption that your family will complete these hours. For families not completing their 20 hours of volunteer time, the \$400 (\$20 per hour) discount will be removed and added back on to your tuition rate for the year. If partial volunteer hours are completed, the amount of the tuition deduction will be based on a \$20/hr rate. This will be assessed near the end of the school year.</i> Initial: _____	
<u>Fundraising Commitment:</u> (All Families) <i>Each family is required to participate in the annual fundraising Raffle, which affords each ticket purchaser 365 daily opportunities to win a minimum of \$25. Tickets are \$25 each. Each family is asked to sell 20 tickets for the first child, plus 3 for each additional child attending SCB.</i> Initial: _____	

I/We have read and understand the St. Charles Borromeo registration, tuition, and fee schedule. This form is not intended to constitute, nor should it be viewed, as creating a “contract” between the School and the student/parent/guardian. The School reserves the right to revoke its acceptance of the application, deny enrollment, and/or dismiss the student in keeping with School and/or Diocesan policies. Neither this form nor any other written documentation issued by the School (including, but not limited to, the handbook) should be considered a “contract.”

I will be paying the fees due and understand that registration fees are non-refundable.

I understand that I will have access to the Parent/Student Handbook at the beginning of the school year and that our family is responsible for reviewing that handbook at the start of the school year. I further acknowledge that we agree to abide by all the rules and policies set forth in that handbook.
